 - Big news today is CPS goes mask optional on Monday, March 14th. It has been challenging at school separating students who chose to not wear masks. Covid cases have dropped down to almost zero at the school. Only four additional cases since our last LSC meeting. Have not had a single positive COVID case since 2/10/2022.
 - March's monthly SEL theme is managing stress and having courage. Every day during announcements students practice coping skills. Students are given tasks to practice for managing stress.
 - Attendance has been a challenge. We are hopeful as quarantines dissipate, attendance will improve. We hope to see attendance numbers go up before the end of the year. CPS has improved their quarantine and is aiming to be more intentional about quarantine.

- LSC elections are coming up. Many of our LSC members have turned in their applications to re-run.
- Valentine's Card Decorating Event was a success! Planning another family event for later in March.
- Fine Arts Night will return on May 19.
- We can plan and attend field trips again. Sixth Grade will be attending the Lorado Taft Outdoor Ed Field Trip this year in March and next year both 5th and 6th grade will attend the Lorado Taft field trip.
- Graduation will be held on the turf again this year. 8th grade graduation will be on Thursday, June 9th and Kindergarten graduation will be on Monday, June 13.
