Stickers	Papermate Flair Pens	Clear packing tape	Laminating Pouches

Summer 2023

Dear Incoming Fifth Graders,

WELCOME!

**We look forward to spending the 2023-2024 school year
with you here at Oriole Park.**

We anticipate a challenging year which will include improving your writing techniques, strengthening your reading strategies, becoming a better scientist and focusing on math problem solving.

Be prepared to come to school EVERY day to work hard, have homework every night, and to master all of your fifth grade skills.

You should read at least **TWO fifth grade level novels, of your choice, during the Summer.**

Please come with all of your necessary supplies labeled with your first and last name on the first day of school. Watch for sales during the summer! 😊

The fifth graders will be provided with personal pencil boxes, so you do not need to send your student with one.

Over the summer, we encourage you to read fabulous books, review your multiplication & division facts, avoid screen time, keep a summer journal of all of your exciting activities, and enjoy time with your family and friends.

We look forward to meeting you on Monday, August 21.

HAVE A FANTASTIC SUMMER!

We can't wait to hear about all of your adventures!

😊 Your Fifth Grade Teachers
